## Team Camps

### Compact • Convenient • Cost-Effective

The men's basketball staff at VSU is able to provide a unique TEAM CAMP experience. We allow you to choose from two options to suit your needs. With jobs, summer school, and money always an issue, this has been a great formula to get the experience essential for next season's success. This format gives a coach a chance to add

another, longer weekend already scheduled or as a mini-camp situation. If you stay overnight, your players can stay in one of our dorms for a nominal fee or you can make reservations at one of our local, budget-priced hotels. All meals are your responsibility. For more information, give us a call at **(229) 333-5904**.

## June 11-12, 2010

- High School Varsity Teams
- Big School Division / Small School Division

### NEW...2 MINUTE TOURNAMENT!

New this year, we will have a 2 Minute Tournament on Friday night to give each team the opportunity to work on the always critical "late game" situations. Each game will only be 2 minutes and will simulate the last 2 minutes of a regular game. All camp teams will be in the Complex watching so the atmosphere will be ELECTRIC!! What a great opportunity for players and coaches to test their mental abilities and toughness for next season's late game "Barn Burners"!

#### Facilities...

All games will be played indoors within the VSU Complex, the Student Recreation Center, and Lowndes High School. These courts are where the VSU mens program practices and competes. Additionally, the Harlem Globetrotters have used the Arena as part of their national tour. All games will have certified officials and a scorekeeper/clock operator.

#### Camp Director...

Head Coach Mike Helfer just completed his 5th year as the Head Men's Basketball Coach at VSU. The Blazer program has reached amazing heights under his leadership and his 2009-10 squad turned in the best season in program History by finishing 28-5. The 28 wins are a school record and VSU won the NCAA DII South Region tournament for the first time ever. That championship advanced The Blazers to their first ever "Elite 8" in Springfield, MA. Helfer was named the GSC East Division Coach of the Year for the 2nd consecutive season and now holds a 107-41 overall record. His .713 winning percentage now ranks #1 among all VSU Head Coaches.
